| <b>NARRATIVE:</b> The undersigned has probable cause to believe the above-named defendant on the 19 of December 2018 at 9:55 at 2700 VILLAGE SERVICES TL (Zone: 60) in Orange County did   |  |   |  |
| <p>The defendant is a suspect in grand theft case #18-406839. Today he voluntarily arrived at the OCSO Sector VI substation at 2700 Village Services Trail, Lake Buena Vista, Florida. Detective Matherne was also present. During the interview, the defendant was confronted with photographs that were sent from his cell phone in August, showing the stolen merchandise in the defendant's vehicle. I had also developed information that the defendant made text messages claiming the stolen merchandise was sold for \$8000. I told the defendant to place his phone on the table in the interview room, with the intention of seizing it for a search warrant. The defendant placed his phone on the table, and a few moments later stated he was leaving and took his phone. I told him we were keeping his phone. Once I said this he grabbed the phone from the table and brought it to his waist area. The defendant was secured and the phone was recovered. He was then detained pending additional search warrants to his residence as well as the phone. The defendant stated he felt sick and felt that he was going to vomit. A short time later, he began to make strained breathing noises, and stated he couldn't breath. He requested water, which was given to him, and also was allowed to lay on the floor. The fire department responded and all vitals were normal. The defendant was transported to Dr. Phillips' Hospital by Reedy Creek Fire Department, then to BRC by patrol. The defendant has met me before and is aware I am a sworn law enforcement officer. Both Detective Matherne and I were wearing agency issued badges and firearms, and the interview was conducted inside a marked OCSO substation.</p> |  |   |  |
