

WALT DISNEY World®

Henry,

I cant begin to tell you how excited we all are here that you are coming to visit us in July!

You are going to have so much fun! Your aunt and uncle sent me a note, and we have built a little box for you, and had them send it to you so you can help plan all your fun ahead of time! You will be here for a total of 7 days, 5 of which will be to explore all the parks and have as much fun as possible!

I hope your hungry as well, as you have the Disney dining plan, which means you have 2 meals, and 2 snacks a day on us!

You will arrive on the 5th of July and will be with us till the 11th of July. They mentioned that you were driving down to see us, so I have included some fun items for the road. You will be staying at our fabulous resort called All Star Music in a Family suite, so you will be super close to the pool and the food and snack areas. This will be handy as you will have a resort mug that means unlimited drinks at the resort while you are here with us. This will be handy the first day you're here with us, as you will be relaxing, and saving up energy to explore all the parks over the next 5 days. Make sure you enjoy the pool as well, as its really nice when its hot outside!

I live at, Hollywood studios, but like to hang out at Magic Kingdom Sometimes, so please stop by and say hello while you are here, but there are so many things to do at the 4 parks! There is Magic Kingdom, Hollywood Studios, EPCOT, and Animal Kingdom. There are some great videos included in this package, so you can see all the fun you are going to have ahead of time. Make sure to tell your Aunt and Uncle if there are any specific attractions you want to see, as they can get Fast passes ahead of time, so you don't spend all day in lines!

I could go on and on, but I don't want to ruin all the surprises you will see and do while here at Disney

Much Love,
